Sangye Khandro's Presentation

Sangye Khandro (Light of Berotsana)

Sangye Khandro has been a Buddhist since 1971 and a translator of the Dharma since 1976. She has helped to establish numerous centers in the USA and has served as translator for many prominent masters in all four lineages. Sangye has been the spiritual companion of the Venerable Gyatrul Rinpoche for nearly thirty years and has continued to help serve the centers established by her root teacher, Kyabje Dudjom Rinpoche, with whom she studied and practiced for many years. Sangye Khandro is one of the founders of the Light of Berotsana Translation Group.

क्रिमायह्य, रमाय, रमाई, हुत्र लय.

From Vidyadhara Garab Dorje's Last Testament entitled *The Three Statements that Strike the Crucial Point*, here are several examples of upadesha from the cycle of the Great Perfection [Maha Sandhi] extracted from the commentary composed by Dza Patrul Rinpoche:

ब्रूप्तर्भार्त्र्यायायायायायायाया

Reunite the previously known mother and child clear lights.

Let the syllables of prajna

and upaya suddenly descend!

Repeatedly eradicate abiding, bliss, clarity and proliferations!

स्त्र-विश्वाम्य स्त्र-विश्वास-विश्वास-विश्व

If one does not stop the mouth from watering after yet another upadesha, one will fall into the trap of mind-made fabrications like searching for the footprints of the elephant in the forest while having left the elephant at home. Given that the time for liberation will not arrive it is necessary to be decisive with one's practice!
